In choosing the theme, "Footprints in the Sands of Time," we of the staff had in mind the fact that each of our eighty classmates in his school days has taken important steps and left his imprint on Mynderse life. Some have followed well-trodden scholastic paths, diverging only to pursue newly developed interests in music, drama, art, science, or sports; others have experimented in various areas of subject matter, combining practical fields of business, industrial art, or home-making with other interesting subjects. Some of us made well-worn paths; others, faint footprints; all, some impression showing our passing. Since we realize the futility of expecting all this to be

# W O R D

remembered, we have tried to capture these memories while they are still fresh. That is the purpose of this Nineteen Fifty Myndersian.

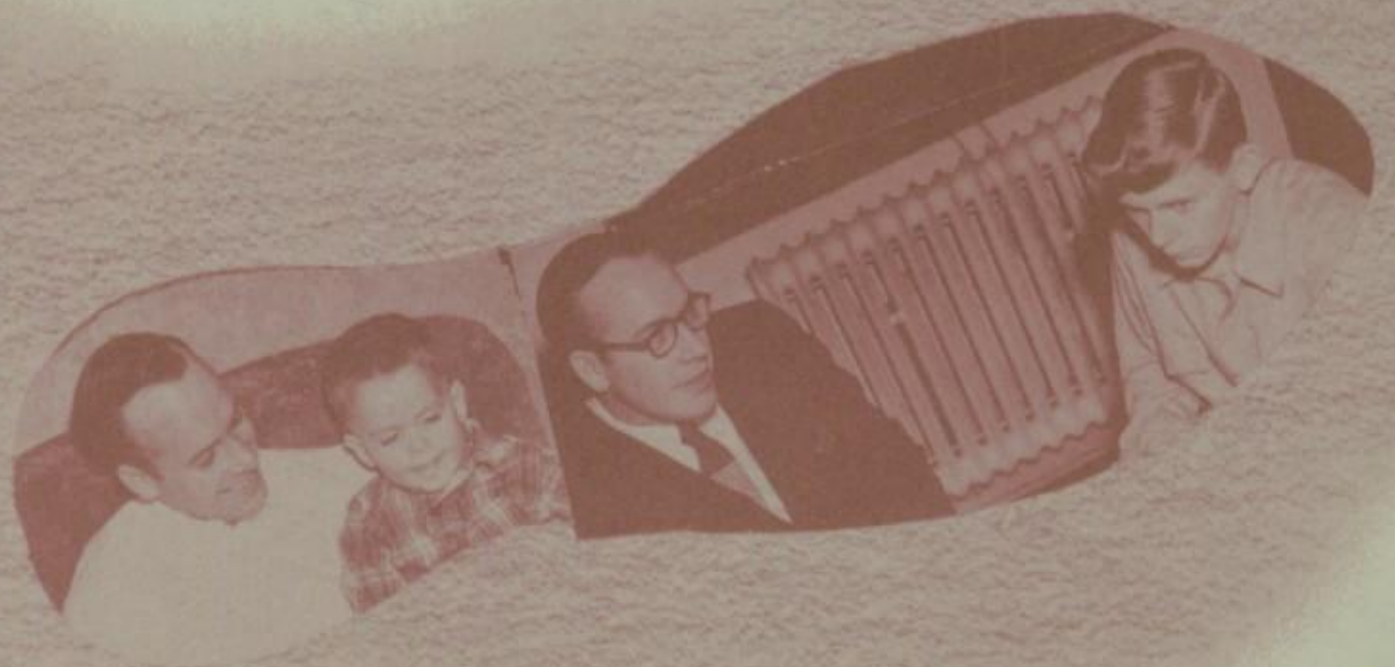

On these pages we have given what we consider a fairly complete record of the story of the year. As time goes on and other seniors take our places in Mynderse Academy, we may be forgotten; but we can always recall our last school year by turning to our story of the journeying of gay, young spirits who passed this way. Guided by teachers who not only knew their subject matter, but also understood those necessary activities that are dear to the hearts of all high-school students, we found life at Mynderse rich in possibilities for work and play—in all ways worthy of the efforts expended by our Class of Nineteen Fifty.

Yates, O., McComb, J., Pollard, R., Knight, F., Romeo, A., Simson, P., Glanville, R.

The Board of Education has been operating this year with a new president, Mr. Frank Knight, replacing Mr. John Bracht, who resigned after serving as president for twenty-five years. There are two new members on the Board: Mr. Paul Simson, of Tri-Way Engineering Company; and Mr. James McComb, Comptroller at Goulds. They replace Mr. Bracht and Mr. Bernard Vergamini.

Important achievements of the Board in the past year are: redecoration of the second and third floors of Mynderse Academy, completion of the grading and seeding of the football field and construction of a quarter-mile track with a one-hundred yard straightaway, and the introduction of the Driver Training Course into the curriculum.

With an eye to the future, the Board is adding a Director of Intramural Sports and an additional Junior High English teacher to the faculty. The members are also considering plans for a future building program to take care of the increasing enrollment and to replace obsolete buildings and equipment.

To the Class of 1950:

"Sands of Time" is an appropriate theme for any graduating class. It reminds us that the prints we have left on the "Sands of Time" of high-school days undoubtedly will affect us to a great extent the trails we will make in the years before us.

You people are going out into a world beset with critical problems which need to be met and solved. How much you will contribute to the answering of these questions, which are troubling all Americans, depends upon your recent training. How well have you prepared yourselves? If you have developed your vocational skills to their highest degree, you can meet the competition of others for the job of your choice and maintain a satisfying independence. If you have developed habits of responsibility, hard work, perseverance, and independent thinking you will be singled out as a person of promise. If respect and consideration for the rights of others and a sincere and unselfish interest in all people have become a real part of your character, you are ready to help those about you in preserving and maintaining our way of life.

Achieving these characteristics will permit you to follow with confidence and pride in the footsteps of Mynderse men and women who have preceded you. Good luck and success to you all in your future undertakings.

Sincerely,

*Arthur L. Baker*

Seniors of 1950:

Your Myndersian theme, "Sands of Time," is thought provoking. Only a short time ago you began your education. Now you are about to graduate. Some of you will go on to further education, but the largest percentage will immediately enter on your life's work. Your success will greatly depend upon how much use you have made of the time that has passed. Those of you who have acquired good habits in your use of time, will be successful; those who have not, will either change or go down in defeat.

In your few short years with us we have attempted to start you with a good foundation. We are hoping that with this start, you will go on to the success which you deserve and become good citizens in this land of opportunity.

To many of us, time seems unlimited, but that which is granted to most of us, is all too short. In this scientific age, who knows what will occur tomorrow? Unless people, like yourselves, acquire the wisdom and a desire to get along in peace with other people and races, perhaps the time left is shorter than it seems.

We are hoping that either you, or others like you, may hit upon some method of making this earth a happier place in which to live.

In closing, I wish to congratulate you on a job well done, and to wish each member of the class the best of success in whatever field of endeavor you may elect.

Sincerely yours,

*Frank W. Vogel*

Mr. Wilber

September 1946 marked our baby steps in the sands of time. They grew each year as we trudged through the freshman, sophomore and the junior years, following many different paths and leaving varied footprints behind us. Finally, our final year was upon us. Led by our president, Francis Turkett, we started our senior year off with "Presenting Polly", our play. In a gay mood, we chose "Toyland" for the theme of our Senior Ball which was ruled by Queen Frances Terrist and King Francis Turkett.

Midyears sobered us a little, but not for long, as we went ahead gaily with our yearbook and graduation plans to make this, our senior year, the most wonderful of all. The sands are all at the bottom of the glass now; and as our footsteps fade into the distance, we want to thank Miss O'Brien, our adviser, and all the other teachers who have helped us along the path to graduation and the future.

## CLASS OF

Overflowing with vim and vitality we returned to Mynderse as Jolly Juniors promising ourselves that the coming school year was to be filled with unforgettable events and occasions. The annual junior school party, "Harvest Moon Hop," opened our social season in the early fall. Athletic participation in the various sports, as well as in many intramural activities, claimed a goodly portion of the class. The academic organizations and clubs provided an outlet for our innumerable talents in the fields of art, music, dramatics, and science.

After a snowless Christmas vacation, we returned to school to stage the Junior Jumbles, our annual talent show. Our original panorama based on man's progress through the ages won't soon be forgotten. Outstanding among the many scenes was the flag-raising at Iwo-Jima. The students and class advisers certainly deserve a great deal of credit for the show's success. When the mid-year exams had come to an end, the class presented its Junior play, "Hilarity

House." The farcical escapades of rugged Uncle Jeff and the two teen-age boys, Buzz and Wally, held Mynderse in an uproar for days. Who will ever forget Lucindy Peck, the mournful maid from Cabbage Neck? The class is indebted by Miss Howes, the dramatic coach, for her direction of the play. We gave the seniors a colossal send-off at our Junior-Senior party in June with an abundance of entertainment and refreshments for all. As our school year came to an end we closed the door of our social world with the presentation of the Junior Prom. The gym was fittingly decorated to achieve the proper setting for our popular formal party.

We wish to express our gratitude to the class advisers — Mrs. Oliver, Miss Miller, and Mr. Becker — for their interest in the class activities and the students themselves. Our memorable year as juniors in Mynderse will indeed live long in the hearts of every member of the class of Nineteen Fifty-One.

Excited shouts and laughter pealed that cheerful autumn morning in September '49 when we, the class of '52, took our places as the Sophomore Class. For days a steady buzz of conversation filled the air as we accustomed ourselves to the new environment and a fresh school year. Extra-curricular activities received our first thoughts. Block M. and G.A.A. appealed to our staunch sports fans. Intramurals as well as the Varsity and Junior Varsity teams prompted a mass turnout of our skilled athletes. Three of our petite and lithe sophomore girls made the Jay Vee cheerleading squad.

Our talented musicians concentrated on Band, Senior Choir, and Orchestra. Microphone and Library Club attracted many with the literary yen. Our class was also well represented in French Club, Camera Club, Wig and Rouge, and Science Club. Next came the difficult task of selecting a slate of officers. Election returns were close, but James Palumbo led the class as president, with competent assisting officers.

The days slipped by with astonishing rapidity. Then came the time that filled even the sunny sophomores

with dread. For five days the whispered and hushed voices were devoid of gaiety.

Midyears ended with an overwhelming majority on top, and once again Mynderse Academy became the scene of pleasant serenity.

As loyal supporters of our class we patronized our annual dance on April 17th with a spirit that made it a huge success. Our thanks go to the members of other classes who co-operated to make it a successful enterprise.

Diligently we began preparation for the Frosh-Soph Play Tournament. Our greatest desire was to win the trophy for our class. We uncovered talent in our class actors and actresses that will make the stars of tomorrow.

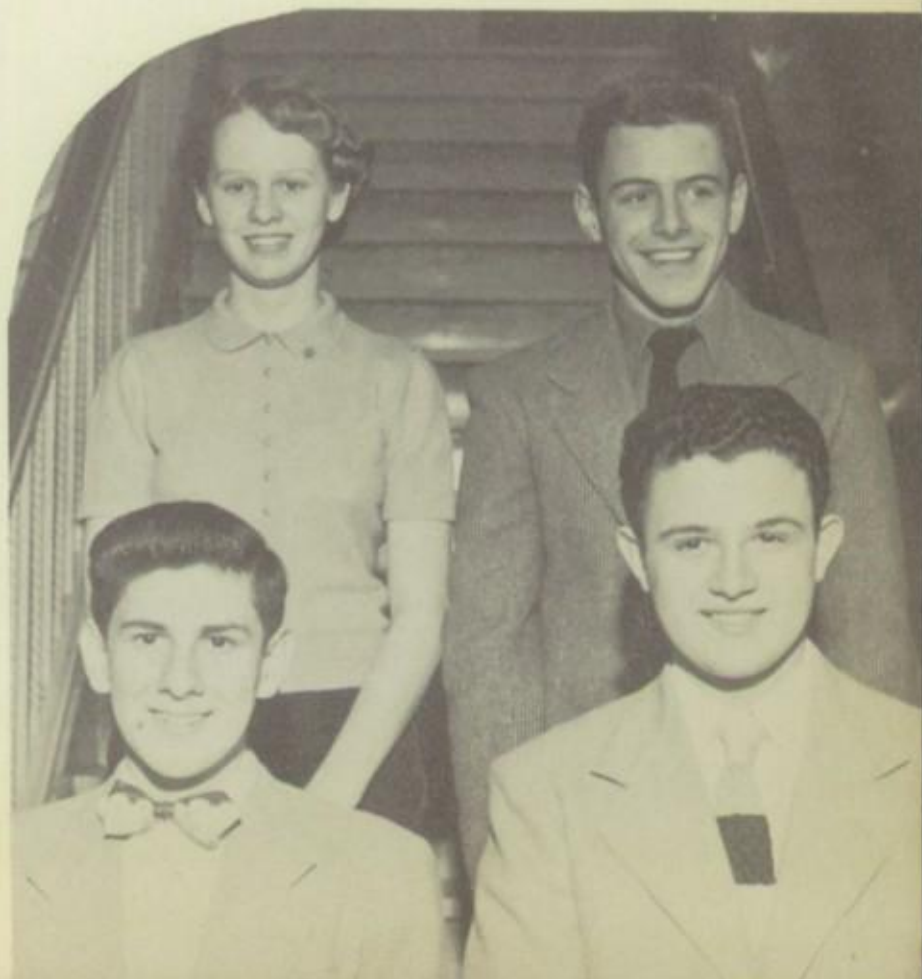

When again the Freshman and Sophomore Classes met, it was on a friendly basis, at the picnic where there was plenty of fun and refreshments for everyone.

Our patient advisers deserve our profound gratitude for smoothing out our difficulties in our sophomore year.

**ADVISERS**

In the fall we were slightly pea-green, but just the same, freshmen. What a thrill it was to bear that name! Perhaps we were not the "highest" class in Mynderse, but we were supreme over those seventh and eighth graders. At first we were so thrilled, we hardly noticed the long climb to the third floor. To start our year off, we elected our class officers. Our popular president did a wonderful job of guiding us through the year with his staff and the help of our advisers. After our vacations it took us a while, but we finally got busy entering such activities as Band, Orchestra, and Senior Chorus, the French, Acanthus, Science, Camera, and Library Clubs, and the Microphone. Many of the freshmen participated in basketball, baseball, football, tumbling, archery, tennis, bowling, volleyball and other sports.

Christmas vacation came and went, and then we quaking freshmen returned to cram desperately for Midyears. How relieved we were when, the ordeal over, we found we had come through with many

honors and few failures. The Hobo Hop, our gayly decorated and entertaining freshman dance held on March 31, was a great success, thanks to committee chairmen Fred Carpenter, Kevin Bove, Pat Souhan, Philip Grinstead, and their assistants. After a slight post-midyears touch of spring fever, we settled down to planning our part in the Frosh-Soph play tournament. We were bound to make a good showing, whether we won or lost.

As the end of the school year approaches when our weary brains are about to burst with all the "book learnin'" we have acquired in the year, we are planning the enjoyment of the Frosh-Soph picnic. With baseball, swimming and enough hot dogs and pop to sink us, we will end our year. Although we look forward to our summer vacation with freedom from studies, we will not soon forget this year — our first and, we think, best school year to date.

The Student Council this year continued its previous activities by sending convalescent cards, assuming charge of the school March of Dimes campaign, the pencil machine, and the sale of basketball and bus tickets. This last function is one of the outstanding jobs done by the students. It is non-paying and consumes both time and effort. Other major activities included helping to sponsor pep rallies, assisting Mr. Wilber with Career Day and keeping the new activity cards up to date. A student supply store for the convenience of the students was also established. The maintenance of a candy and popcorn store at all games was also an important project. To make new students feel "at home" a "Big Brother and Big Sister" program was set up to welcome each new student to Mynderse. The "Mid-Year Blues," the council dance, and the annual picnic were the only social activities. Since Miss Miller is completing her second year as adviser, Mr. Wilber will hold over as chief adviser for next year.

# MYNDERSIAN

Footsteps in the sands of time was chosen as the theme for our yearbook, and the art work carrying out this theme was done under the direction of Miss Trulan. While some candid shots are student work, most of the photography was done by the Bullock Studios, Sutterby and Son, and William Brignall. The entire staff has co-operated to show our senior year at Mynderse with its many and colorful phases.

To Miss O'Brien, our adviser, goes the twenty-one gun salute, for with-

out her excellent and inexhaustible aid our book would never have been possible. Her patience and constant guidance are invaluable in the production of this yearbook. Our thanks also go to the many others who have helped us to make it a success.

## 1950 MICROPHONE

Mynderse Michophone, biweekly school paper, began its twenty-second year of publication with many new changes. Foremost was a revision in the makeup of the front page. Although various types of headings could not be used, the extension of news items in the left-hand column beyond the margin was played up. An additional feature was the paper used for printing. Easily readable, this high-grade paper, known as magazine stock, was lauded by the students. Short biographies on outstanding students in various fields and clubs were featured on page two. Students

were also able to voice their opinions on current political and school questions in the poll section. The Microphone staff also underwent a change. Some departments were added and others discarded. A sports editor was chosen to head the sports staff.

Because of the increased cost in printing, only twelve issues of the Mynderse Microphone were published. However, students and advertisers supported the paper well in the subscription campaign.

"Mike" reporters know that, although they have a hard time writing their stories, this work is invaluable towards a better knowledge of English and vocabulary. The high rating the Microphone has continued to receive is largely due to the efforts of Miss Compitello, adviser. Despite the fact that there are no journalism classes at Mynderse, the Microphone functions efficiently.

The Library Club's series of events were started off with the election of officers, under the supervision of Miss Compitello. Since the membership had been limited this year, only two new members were accepted. Several club members displayed their co-operative spirit when they were called upon to assemble the books after the library had been painted last summer. The club's meetings consisted of activities pertaining to the usage of library tools, desk duty, and inventory.

This year was highlighted by a Christmas party and the entertaining of the library club from Waterloo on February 9 in the form of a Valentine party to exchange various ideas in connection with each club's activities. The club has a special future project, adding new furnishings to make the library more attractive.

Under the efficient direction of Miss Howes, the Wig and Rouge started a successful year with the election of officers. In their first enterprise of the year, they combined their dramatic talent with that of the Junior Chorus for the annual Christmas production. Members made worthwhile use of their diversified abilities by taking charge of the makeup for the Rotary minstrel show and the Welfare League play in October and by directing the annual spring Frosh-Soph Play Tournament. It wasn't all work and no play, however, for the club went to Cornell to see professional actors and actresses at work. Then, too, "O'Flanigan's Shindig," the gala St. Patrick's day dance, afforded members and their friends a very enjoyable evening. Last on their program was an old-fashioned picnic with all the trimmings.

First Row—Pollard, Serling, Jim; Agnello, Scialdone, Dowd, Dyson, Clark, Carpenter, F., Baker, R., Noyes, Mills, R.

MR. JOHN C. FRASER  
Director

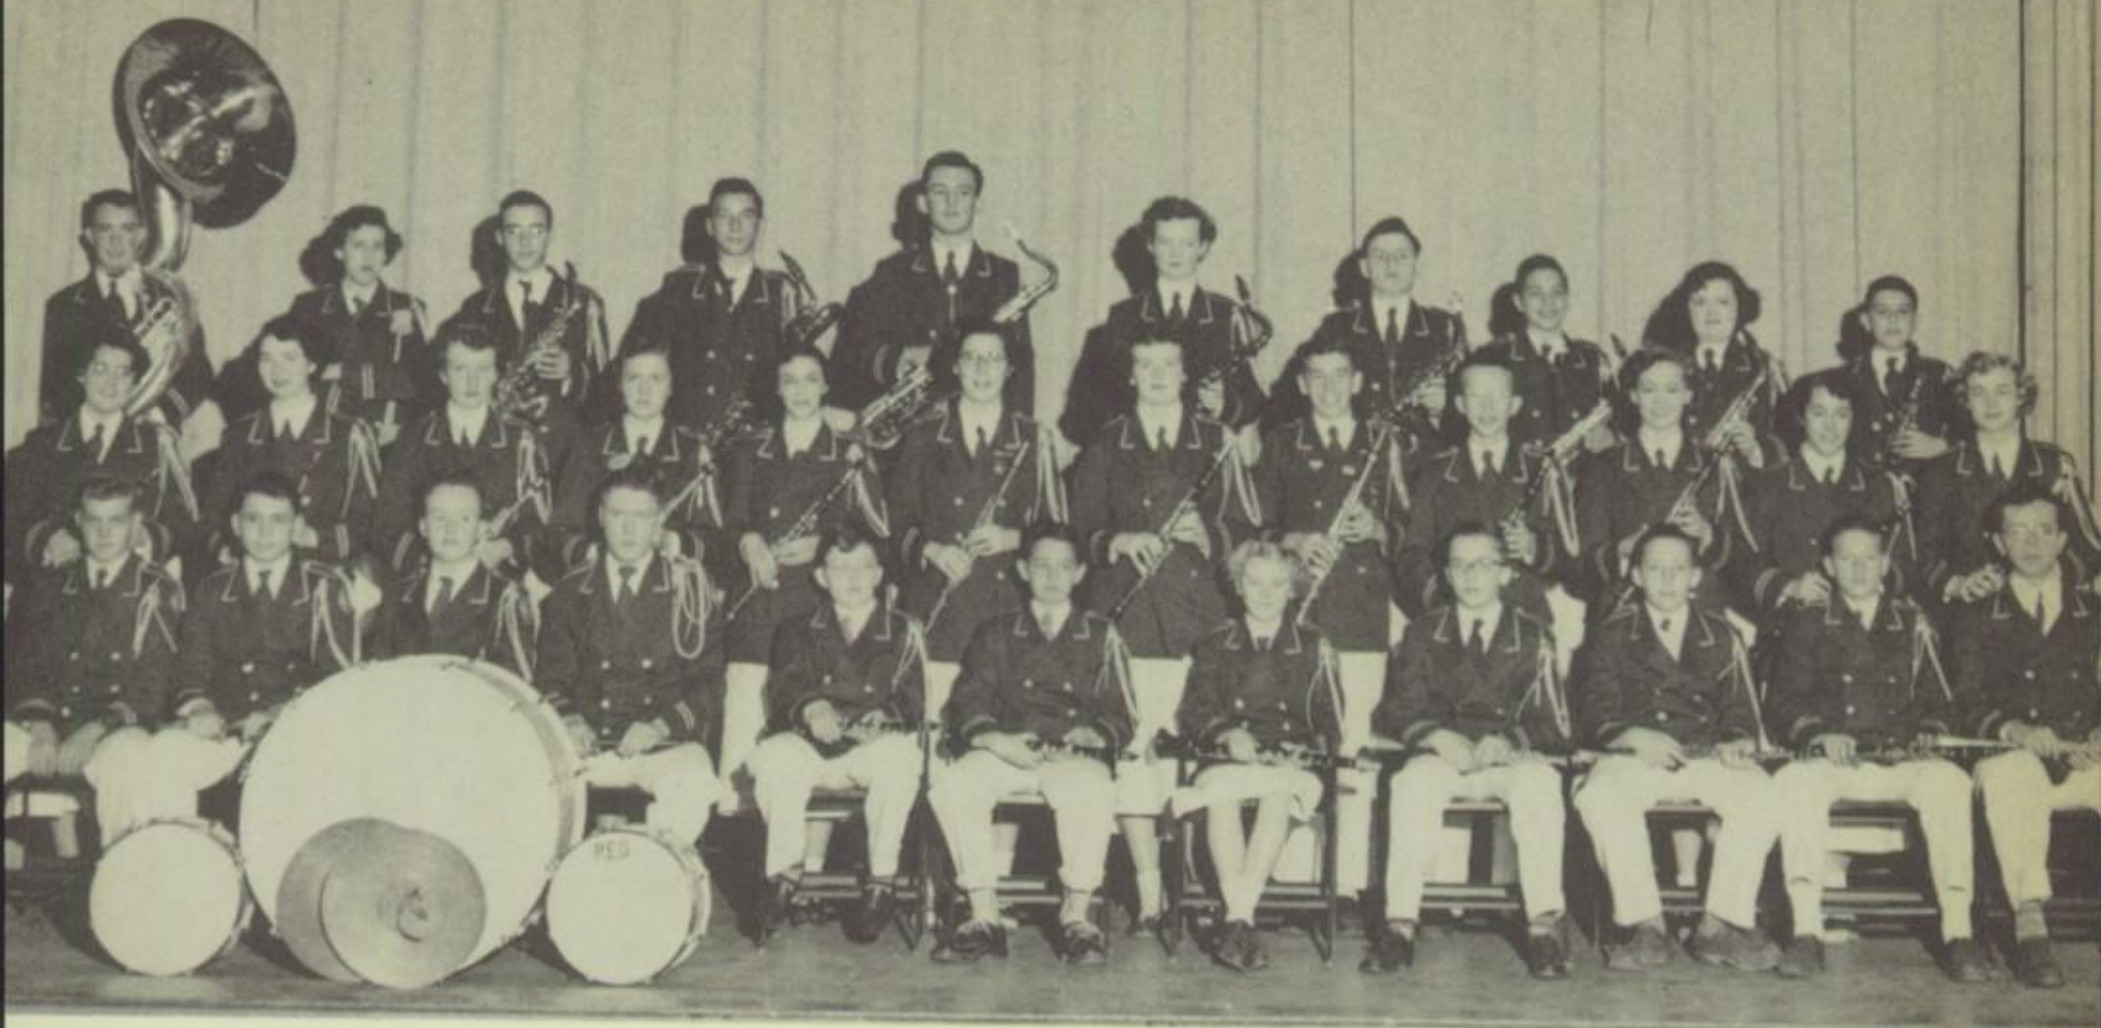

The Mynderse Academy Band of 1949-50, under the direction of Mr. Fraser, is the largest in the history of the school. It has a membership of approximately seventy students. The band, colorful in their new uniforms, played at most of the home football games and for the various patriotic and political activities around town. Some of these latter were Flag Day, Decoration Day, and the visits of Mr. Dulles and Senator Lehman. Majorettes twirled at the Waterloo and Canandaigua football games.

The year's activities were highlighted by the annual band concert, April 28, which featured a coronet duet by Richard Dyson and Richard Clark, and a baritone horn solo by James Carpenter; and the Music Festival at Syracuse University, May 12 and 13. The entire band attended the latter.

Several veteran members who will be lost by graduation are Richard Clark, Richard Dyson, Thomas Dowd, Louis Fiano, Duane Shuster, James Carpenter, Carolyn Seman, Beverly Vreeland, and Carolyn Knight.

Back Row—McNaney, White, McComb, Malcolm, Cosentino, Knight, R., Gibbs, Serling, Joel, Sinicropi, Sherman, S., Cafora. Second Row—Carbone, Ashbaugh, N., Sullivan, Shuster, J., Del Russo, J., Bears, Hilbert, Smith, Forshee, Lind, Vreeland, Horle. Front Row—Zwick, Irland, Fraser, Fiano, Lohr, Blaisell, Seman, Chas., Grinstead, Bevins, Baker, W.

Mr. John Fraser directs the Mynderse Academy orchestra, consisting of about twenty-five members, chiefly from the senior high-school classes. They serve the school by furnishing music for all the assemblies, school plays and numerous activities of outside organizations. The latter included the Welfare League play this past October.

In addition to playing in the school orchestra, a certain number of the group play as a popular dance band under the leadership of Richard Dyson. They are the reorganized "Mynderse Madmen" of past seasons, now known as "The Star Dusters."

## GLEE CLUB

**MRS. MARTHA LAUNDERVILLE**  
Director of Glee Club

In the fall over two hundred people reported to Mrs. Launderville for Senior Choir, so tryouts were scheduled and one hundred forty-five students were finally accepted. The officers John Povero, president; Barbara Stahl, vice-president; Wells Smith, treasurer; Nicoletta Simone, secretary, were selected next and rehearsals for the Christmas program on December 15 and 16 started. Success of this program gave us confidence for the annual Spring Concert on May 18 and 19. Composed mostly of popular tunes it was a "smash" hit.

The Varsity Choir is made up of forty of the most accomplished and experienced singers. These sang on March 5 over WGVA, Geneva, as a part of the "Our Town" program. Also at the annual State Competition, this year at Syracuse University on May 18 and 19, Mynderse was represented by the Varsity Choir.

Credit should be given to Mrs. Launderville and the pianists, Carolyn Knight, Erik Landberg and Nancy Noyes, who have been important to the success of these groups.

Back row—Decker, Desmond, Beerse, Hubbard, Warfle, Sherman, W., Rauscher, Ward. Amidon, A., Knapp. Fourth row—White, Staley, Sinicropi, Reardon, Maier. Gibbs, Noyes, Lynch, Keating, Jones. P. # SCIENCE CLUB

With a better understanding of science as their goal, the members of Science Club, under the supervision of Mr. Marshall, performed an excellent piece of work this year.

First on the agenda was the election of capable officers possessing both leadership and ability.

New members were admitted to the club bringing the total membership up to eighteen, the limit set by the constitution adopted last year. Voted into the club on the basis of their scientific aptitude, the new members underwent a week of initiation. In addition these initiates were required to give before the club speeches or biographies of famous people in the field of science.

At the meetings the members had discussions and films on scientific subjects. In November, two of the members, John Brown and Owen Brady, made a model electric motor and demonstrated it at a later meeting.

The picnic climaxing the year was held at Cayuga Lake State Park in June.

Standing—Cammuso, Sinicropi.

Acanthus, directed by Miss Trulan, has the following officers: Anna Marie Andreas, president; James Brand, vice-president; Lucy Lama, secretary; and David Beerse, treasurer. Its members made posters for National Art Week, entered the National Scholastic Art Contest and sponsored Christmas art work on homeroom doors.

Back row—Swan, E., Carpenter, Beerse, F., Millis, Cosentino, Burtless, DiDominick. Front row—McComb, J., Van Horn, Koch, Knight, N., Sinicropi, L., Frantz, Disinger, Weaver, C., Kreager, R.

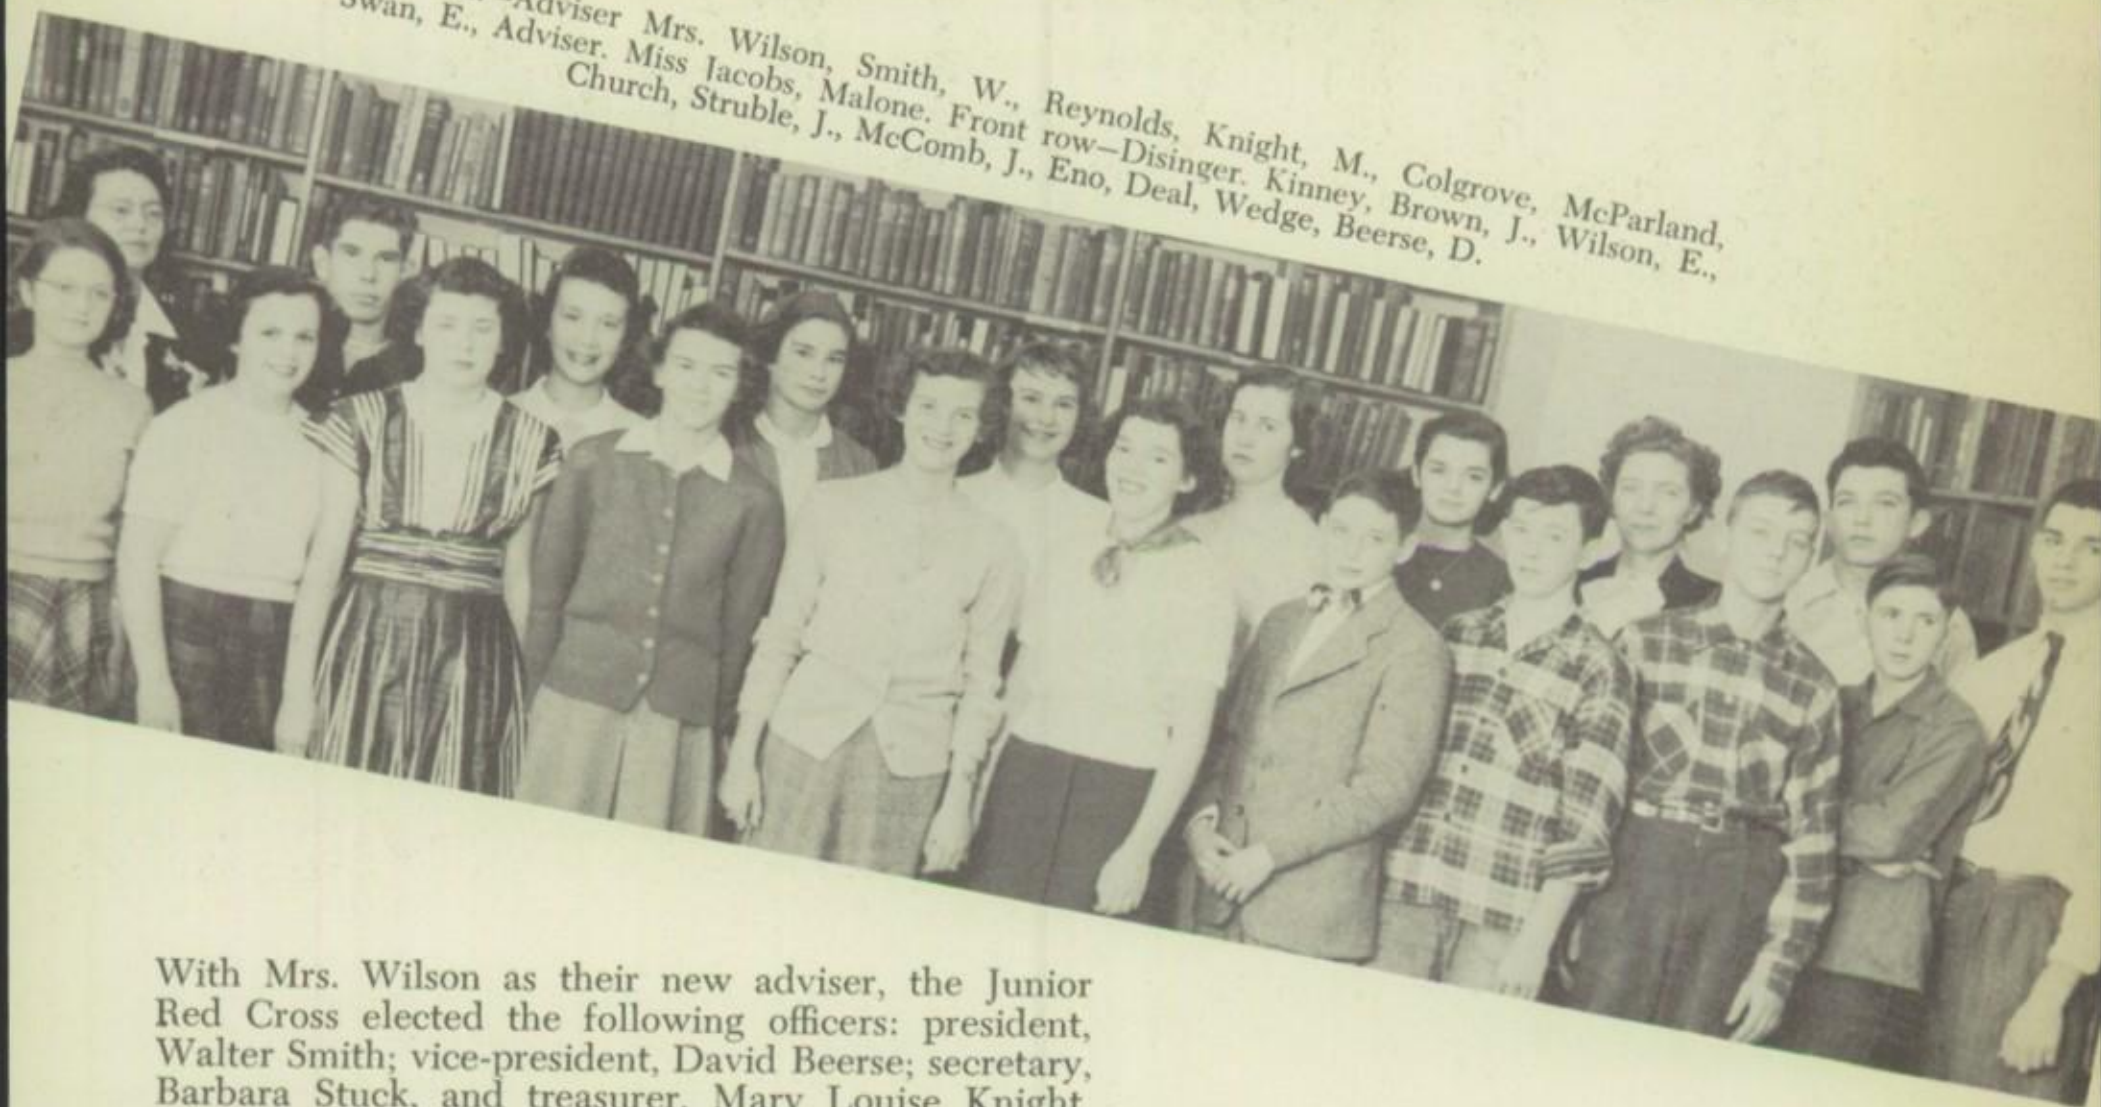

## JUNIOR ACANTHUS

Organized this year to meet the enthusiastic art interests, the Junior High Art Club was formed under the supervision of Miss Trulan with the following officers: Louis Sinicropi, president; Ellen Swan, vice-president; Elizabeth Koch, secretary, and Robert Millis, treasurer. Activities included painting stage sets and decorating book covers.

With Mrs. Wilson as their new adviser, the Junior Red Cross elected the following officers: president, Walter Smith; vice-president, David Beerse; secretary, Barbara Stuck, and treasurer, Mary Louise Knight. Membership was again maintained at 100% in Myn-dorse. Scrapbooks for the Canandaigua Veterans' Hospital were the project of the year.

Back row—Yeo, E., Sanderson, Blaisdell, H., Decker, C., Congdon, W., Sipos, Congdon, A., Shupp. Front row—Adviser Mr. Becker, Wilson J., Duonolo, Paulich, Marconi, Dalessio, Magill, H., Gaines.

Sponsored by Mr. Becker, Camera Club this year pursued further its purpose to stimulate interest in photography. Lectures by professional photographers, and slides and movies on their hobby were enjoyed. The 1950 officers were: Anthony Marconi, president; James Romeo, vice-president; Patricia Paulich, secretary, and Harold Blaisdell, treasurer.

Hearth Club began the school year by holding a tea in September for the purpose of getting acquainted with other girls of the high-school homemaking classes. New club members, selected from this group, were initiated in November. Throughout the year Hearth Club sought to give valuable experience in social background to its members by practical demonstration and briefings by Miss Cardwell.

The girls gained much experience in food work by assisting with the Career Day luncheon on November eighteenth. A Valentine party was enjoyed on February sixteenth by all members. Games were played and valentines exchanged.

During Eastertime the club held its annual formal supper dance in the Homemaking Center for members and their guests. Other activities of the club included: discussions on home care and improvement, various sewing projects, and the baking of cookies for various local functions.

The girls demonstrated their culinary skills at their annual picnic in June when each one prepared a dish for the party.

Captain Tony Russo led the team through an eight game schedule in which the "Blue Devils" won 3, tied 1, and lost 4. The opening games, Baldwinsville lost 6-0, and Palmyra was defeated by a 31-0 score. Then came a three game losing streak in which Holy Family won 16-0, Penn Yan came out on top 24-7, and in the only night game, Clyde won by a 25-12 score. The tide of defeats was momentarily halted when Lyons was defeated 25-0, but St. Francis De Sales added another defeat, by winning, 3-6. The final game, that annual classic between Mynderse Academy and Waterloo High School, ended in an 0-0 dead-lock score which has been made three times in the past five years.

The head coach was Mr. Cooley, with able assistance from Mr. Bourdon and Mr. Masterson. Four members of the starting lineup will be lost by graduation: Reardon, Knapp, Tony Russo, and Benny Giovannetti.

## FOOTBALL

# BASKETBALL

The Mynderse "Blue Devils," coached by Mr. Stanley Marshall, had a record of twelve losses and four victories. The squad showed good team work under the leadership of Captain Eugene Staley who was high scorer for the team with one hundred eighty-nine points. He was also chosen for the All-Star Team, made up of players from teams in the Tri-County League.

Seniors on the varsity include besides Staley, John Sinicropi and Bill Hughes, which leaves a nucleus of Giovannetti, Hubbard, Knight, Saracino, and Schaertl, for next year's squad.

The Jay-Vee basketball squad showed a six win and nine loss record, finishing their season with a total of 456 points as compared to their opponents' 454. Jim Palumbo was high scorer with 105 points, while Bill Olsowske and Cy Garnsey showed marked improvement in play during the season. By keeping the squad open for the Frosh and Soph, only, Mr. Marshall has enabled more boys to play on the Jay-Vee team and thus gain valuable experience for a future varsity.

# TENNIS

The 1949 tennis team played eight matches with Waterloo, Canandaigua, Penn Yan and Geneva.

The Varsity, composed of many new members, met with defeat in each match. However, instructor Wallace Smith believes the Varsity will improve because of the promising abilities of the newly organized Junior High tennis team, which will act as a feeder of material to the varsity.

## TRACK

The three-year old track team of 1949 ended a successful season in spite of its small squad. The season included four dual meets, the Geneva Relay Carnival, the Conference meet at Canandaigua and participation by Capacci, Knipper, Freeland, Mackey, and Hubbard in the Section V meet at Rochester. The three highest point men of the year were Capacci, Freeland and Hubbard. Trackmen lost by graduation were Rutz, Capacci, Odell, Freeland, Mackey, DelRusso and Knipper. Coach Marshall is getting enthusiastic response from the student body in this revival of track as a sport at Mynderse.

## BASEBALL

Although the 1949 baseball season showed a three win and eight loss record, Coach Canale was satisfied with the results, because the boys showed the "eternal try" and the resolution to do better. The team's avenging their 21-3 defeat by Penn Yan, to come back 8-3 was outstanding.

There are other interesting facts, too. The team batting average of .250, the .300 plus averages of Lemma, Hartman, and Paradise, and .250 plus averages of eight more players are significant. Also, Hartman's unassisted triple play against Geneva was outstanding. The eight hold-overs for 1950 include Caraccilo, Knapp, Hughes, Downen, Carello, Sinicropi, Staley, and Garnsey. Mr. Masterson will coach the 1950 team.

Activities of the Block M began with the initiation of new members. each year more rigorous standards have been added to the membership requirements. The election of officers was next on the program. Those who were elected were Bruce Knapp as president, Tony Russo, vice-president, Jerry Schaertl, secretary, and Dick Giovannetti, treasurer. The club's constitution was revised and typed copies were made.

Black M has been very active this year in promoting good sportsmanship and interesting athletic activities. Football programs were issued at the games, and programs for basketball games were introduced. A basketball game for the benefit of the "March of Dimes" was played between Block M members and the faculty. The victory by the faculty proved that age is not a hindrance to ability. The activities of the Block M were completed with the annual picnic in June.

## BLOCK M

## GIRLS' ATHLETIC ASSOCIATION

The girls ended the first semester with a Christmas party for the members. On March 4, a basketball playday was held with Waterloo's G. A. A. Another basketball game for charity was sponsored by this group and the faculty. Other winter activities were a sleigh ride on March 11 and later, an ice skating party. On March 24, the G. A. A. held a Sports Night for all the girls in school. The exhibition showed a cross section of the training given in gym classes throughout the year. The annual dance in the gym in May and the picnic at the lake closed the year of diversified sport and social activities under the capable direction of Miss Ann Driscoll.

This organization is composed of thirty-four members selected on the basis of sportsmanship, ability, cooperation, scholarship and participation in sport activities.

Fall elections resulted in the following officers: president, Anne DePasquale; vice-president, Janet Oakes; secretary Jane Poole, and treasurer, Nicoletta Simone. The first half hour of each meeting was devoted to business affairs, while the remaining time was spent in recreational games. The initiation held at Stanton School was followed by a swimming party at Geneva.

## BEACON FEEDS AND BEACON SERVICE

### *The Standard of Comparison*

In every field of endeavor, there is one product that stands out in the crowd. That product, be it a car, a piece of furniture, or a bag of feed, usually stands out because of extra quality that is built into it. Beacon Feeds are recognized throughout the Northeast as a QUALITY product. The quality has to be there, because Beacon uses only the finest ingredients obtainable and compounds them in such a way that the ration will meet the proven requirements of the livestock to which it is fed.

Every alert livestock producer knows that you can't figure profits on what feeds cost—you must figure them on what feeds return. Beacon Feeds can definitely help any farmer get better results and bigger profits with complete safety and full economy.

YOU DON'T SAVE MONEY—YOU MAKE MONEY WITH BEACON FEEDS
